## Cabernet Sauvignon

Known as the King of wines. An undeniable reputation that has already conquered the world. It is a full-bodied wine with structure that presents itself in a crimson colour with violet hues. Experience cherry and blackcurrant fragrances that provide wonderful fruity flavours accompanied with soft spicy notes. Its charm lies in its roundness and supple mouth feel. This wine rises to its noble stature as the true king.

## Old Vines Merlot

This old vines edition is rich with delicately smooth tannins. Its blackcurrant and pepper undertones enhance the “smoky” oak flavours to create a soft wine that is very supple. Its long and full elegant finish will leave you wanting more.

## Syrah

Also known as Shiraz, the wine is deep and dark in colour with the warm presence of black fruit and berries. Ageing this wine will reveal earthy and spicy aromas matched with a velvety colour. You will taste the rich smoky flavor comprising of red fruits and a hint of bittersweet chocolate. The red fruit flavours of plums, black cherries and blackberries makes this wine a meal on its own.
